Report of Principal and School Improvement Council

Crosswell Drive Elementary is a school that remains committed to providing an excellent education for our students. We desire for our children to be successful in life, and therefore, work to develop the whole child by focusing on the academic, social and artistic development of our children. In order to complete our mission, we continue to build relationships with our parents and community.

As we worked to increase student achievement in all areas, we specifically focused on ELA and Math. We completed several initiatives to reach our goals. Our faculty participated in professional development by revisiting some concepts from a previous book study to refine instructional techniques in Math. For ELA, we field tested and taught strategies to target our identified need in the area of building vocabulary. Additionally, we completed the second full year of implementing TAP, a teacher advancement system. In TAP, teachers participated in weekly professional development based on the school's instructional needs. Teachers also received formal observations and received feedback from the observer. Finally, teachers reflected on their teaching, identified a refinement area, and created an Individual Growth Plan to refine the identified area. This has been an effective way to identify instructional needs and improve them through in-house professional development. We also continued to support the artistic needs of our students by providing opportunities for self-expression through the arts. Throughout the year, students participated in such programs as Dance, Step and Cheer, CDE Choir and Hand bells. They also had several opportunities to showcase their talents by performing in the community. Performances include the Sumter Christmas Parade, Stomp the Yard, Music in Our Schools and a final performance at in our Fine Arts building to showcase the many talents that were developed throughout the year. In addition to our artistic accomplishments, one of our First Grade students won the Math Challenge competition for the district.

Along with the artistic opportunities, students participated in activities to develop leadership skills. Our K-Kids program, sponsored by the Kiwanis, participated in a leadership camp during the summer and continued to develop those skills throughout the year. The K-Kids tutored younger students and participated in a service learning project. Our students also developed leadership skills by participating in Student Council. One of their accomplishments was sponsoring a canned food drive where they collected several hundred food items that were donated to a local charity.

Crosswell Drive has continued to build relationships within the community and with our parents. We were adopted by Crosswell Baptist Church and by Grace Baptist Church and have benefited from their donations of supplies. We have also continued our relationship with the Crosswell Community Improvement Committee to help improve the community and build a relationship with the people of the Crosswell Community.

We have an open door policy and welcome parents and community members. We are proud of our accomplishments and are excited about the future.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	49.8
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Crosswell Drive Elementary school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☒ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
